

building back better. America deserves better. America deserves more. America deserves a robust infrastructure plan, and America deserves it now.

Mrs. BEATTY. Madam Speaker, how much time do we have left, please?

The SPEAKER pro tempore. The gentlewoman has 1½ minutes remaining.

Mrs. BEATTY. Then let me close by saying thank you to all of the Members of the Congressional Black Caucus. It was clear tonight that infrastructure is not only a big word, but it is a big deal, which encompasses many concepts, which comprises modern American infrastructure.

For some Members we have heard tonight, it is through traditional roads and bridges and waterways. For others, it is broadband and it is housing, it is human care.

Regardless of definition, the Congressional Black Caucus is ready to stand in the gap to support legislation and policies that will help infrastructure invest in America's future so we can build back better.

Madam Speaker, I yield to the gentleman from New York (Mr. TORRES) to say thank you to our Members.

Mr. TORRES of New York. Madam Speaker, I will just quickly state, you know, we are in the midst of an FDR moment, and we have an historic opportunity to govern as boldly in the 21st century as FDR did in the 20th century. But the difference between

then and now is ours is going to be a new deal for everyone; Black and Brown new deal.

Mrs. BEATTY. Strong. Congressional Black Caucus, our power, our message.

Madam Speaker, I yield back the balance of my time.
